

Instructions for Order Sheet

If no one is available, please feel free to fill out an order form and place it in the order box. If you have particular questions, I should be back soon.

1. Check what item you'd like at the top of the sheet.
2. Next, select what color you'd like.
3. Then, choose the size you'd like.
4. Under Name & Number, write the name (s) and or number(s) you'd as you'd like it to appear on the item. Select the Lettering that you'd like. Sample Letterings are shown in the book. Additional Name, Numbers & Colors are if you'd like to list other sponsors or would like a 3 color Lettering.
5. Under Name & Number Colors, select the outline and inline colors for the name and number.
6. Fill out your customer information for contact and shipping purposes.

We will do our best to get the items done the same day they're ordered. If we are unable to, we will ship them to you at no charge.

If you want a color we don't have, or a special order, we will order it for you and ship it to you for a nominal charge.

This is an example of **Factory Italics** Lettering.

The numbers are angled slightly to the right.

This is a carbon fiber name & number with a neon blue outline.
It has 3 borders (Carbon Fiber, Fabric Color of Hoodie, Neon Blue).

This is an example of a **Factory** Lettering.

The numbers are straight up and down.

This is a neon yellow name & number with a neon orange outline.

It has 3 borders (Carbon Fiber, Fabric, Neon Blue).

It has 3 borders (Neon Yellow, Black of the Vest, Neon Orange).

This is an example of **Works** Lettering.

Works Italics would be the same but the numbers would be angled slightly to the right.
This is a white red outline and the name and number is the color of the fabric or in this case black.

It has only one border-Black (color of fabric), Red (color of vinyl).

This is an example of **Works Italics** Lettering.

The numbers are angled slightly to the right.

This is a black name & number with a Grey outline.

It has one borders (Black (color of fabric), Grey (color of vinyl)).

This is an example of a **Pro Style** Lettering.

This is a white outline with no fill and neon green name and number. The name and numbers are more rounded and there is a larger space between the name & number color and the outline color.

It has 3 borders (White, Black of the Hoodie, Neon Green).

This is an example of a **Future** Lettering.
This is a blue outline with a white name and number which is the color of the fabric. It has 2 borders (Blue, White).

This is an example of **Metal Lord** Lettering.
It has 2 colors. The black is the name & number color, the red is the hoodie color,
and the grey is the outline color.

This is an example of **Judas Priest** Lettering.
It has 2 colors. The black is the name & number color, the red is the hooded color,
and the grey is the outline color.

This is an example of **Desperate** Lettering.

It has 2 colors. The black is the name & number color, the red is the hoody color, and the grey is the outline color.

This is an example of **Koch Gothic** Lettering.

It has 2 colors. The black is the name & number color, the red is the hoody color, and the grey is the outline color.

If you like the number in one font and the name in another, that can be done. Or, if you know the name of a font that you don't see, or would like to look at different fonts, just let us know.

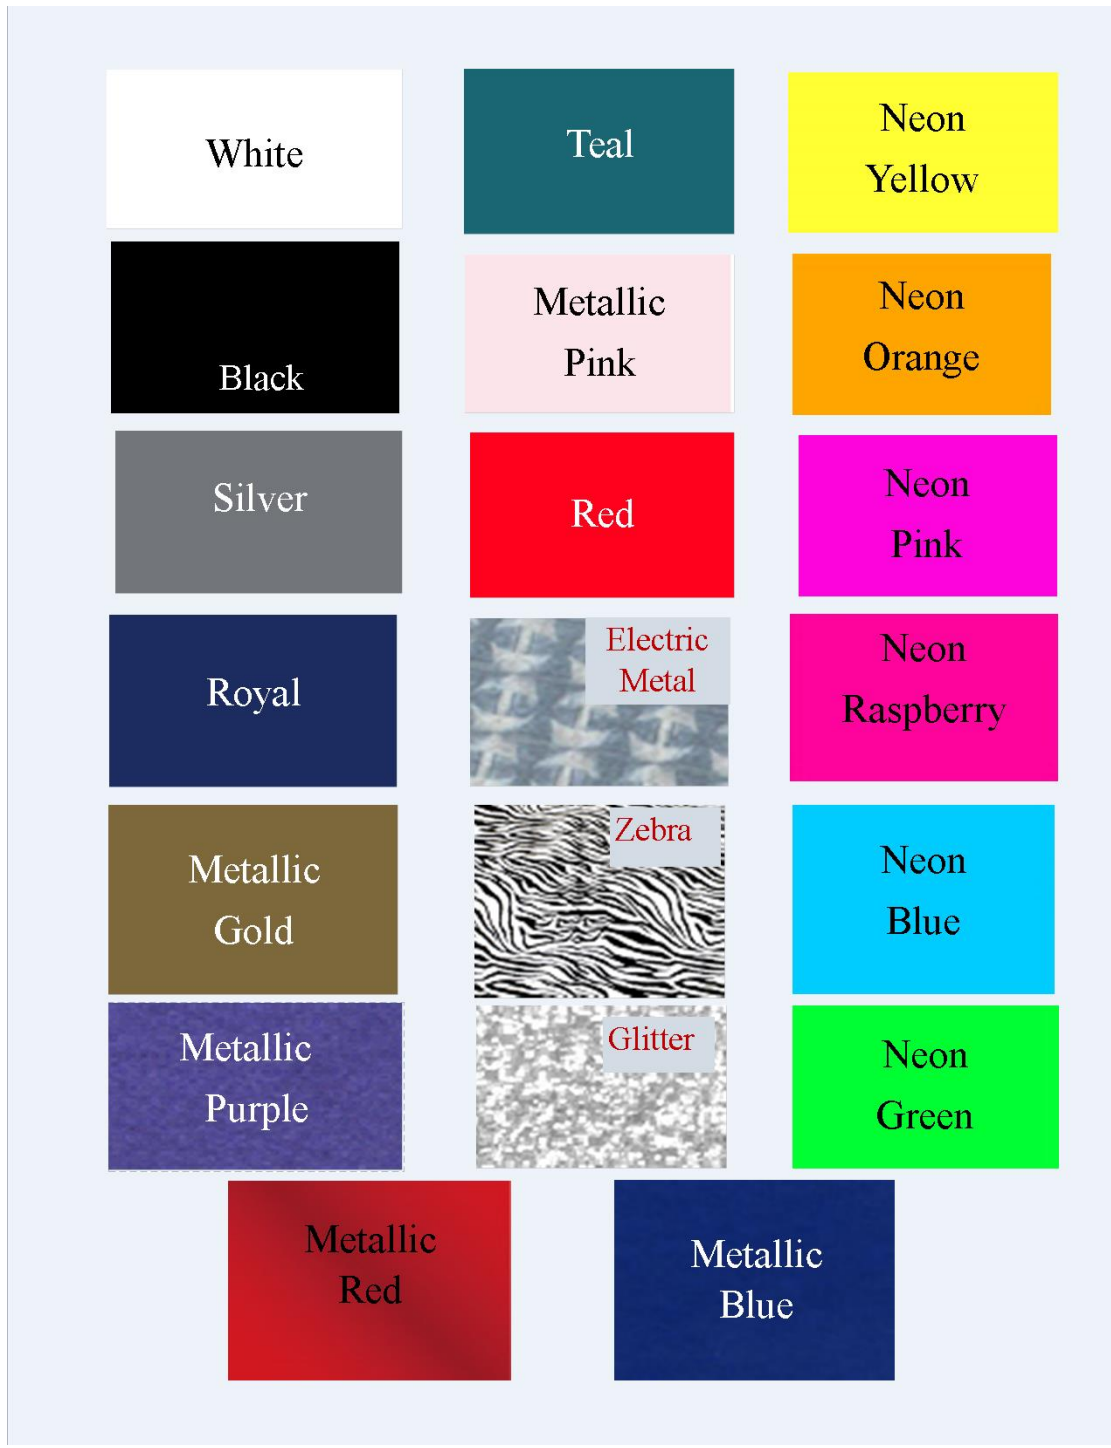

We will do our best to get the items done the same day they're ordered. If we are unable to, we will ship them to you at no charge.

If you want a color we don't have, or a special order, we will order it for you and ship it to you for a nominal charge.
